31

31 u

I gotta be honest with you. I'm 15 but I'm into older guys. My ex was 35. I understand if you don't want to talk to me.

31

Ok your young

Yeah that's what my ex said too but we dated for a year. We got together when I was 14.

31

What your parents say

My dad is a pos. He walked out on me when I was only 3 and my mom walked out on me when I was 8. My aunt raises me but she's always out of town on business. My uncle passed away 2 months ago.

I was just in Bedford yesterday with my BFF at the races.

I dont wanna get in trouble for talking to u

I'm not going to say anything. I'm on probation.
